About This Game

Inspired by the movie «Maze Runner,» I'm Lost throws the player into the middle of a small forest area surrounded by a large maze. You will need to explore the labyrinth and to find a way out of it. A special orange labels are scattered around the maze.

They can be activated, so the player can understand what parts of the maze he visited and where he was not yet.

The protagonist wakes up on the shore of a small lake, surrounded by a maze of high walls. To complete the game, you have to get out of the giant maze.

Features:

- Beautiful graphics and great game world
- Achievements, given for the activation of orange labels
